

# Multi-Foam

## Introduction

Technical sprays are used in nearly all sectors of modern industry. These sprays are used for care and protection of surfaces, for cleaning, degreasing, dissolving and separating and are essential in daily business.

WEICON Multi-Foam is a universally applicable, powerful foam cleaner. WEICON Multi-Foam is environmentally sound, biodegradable, free of phosphate, formaldehyde, and corrosive and caustic additives.

## Technical data

Colour	white
Odour	citrus
Temperature resistance	--- °C
Shelf life (minimum)	24 months
Special features	Biodegradable

## Processing

Thoroughly shake can before use. Spray on at about 25 cm from surface and allow to react for about 30 seconds before wiping off. Repeat if necessary.

Check colour fastness prior to application, on textiles and upholstery.

## Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

## Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation.

We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
