

OceanMaster Eco-wash Marine Detergent

Description

A concentrated, heavy duty cleaner for almost any washing job on board using either fresh or sea water. Removes oil, grease and dirt and leaves hulls, decks, chrome and fittings sparkling clean.

For use on

A general purpose cleaner on metal, fibreglass, painted surfaces, finished wood .and many other surfaces. Does not leave any residue when dry.

Eco-wash may also be added directly to the bilge water where the ship's rolling action provides automatic cleaning.

Direction for use

Apply product by means of a sponge, cloth or brush. May be used undiluted or mixed with fresh of sea water. Rinse well with clean water and allow to dry.
